- 1-Year Limited Warranty

ProConnect® Series

Integrated KVM 2-Port Switch

Save Desktop Space—Use a Single Monitor, Keyboard, and Mouse for Two PCs

The Linksys ProConnect® Integrated KVM 2-Port Switch lets you take instant command over two PCs—all from a single keyboard, mouse, and monitor! For your convenience, it even comes with built-in cables to meet all your connection needs.

Switch between PCs with a quick, two-key action, or use the automatic scan feature to easily monitor both computers.

The KVM Switch eliminates those pesky, cable-swapping duties while saving you desktop space and hardware costs. Because it doesn't use software, the KVM Switch is compatible with all major desktop and notebook computers. It's the perfect choice for the home, office, or anywhere else you work with two PCs at the same time.

Features

- Supports a Screen Resolution of up to 1920 x 1440
- Complete, Plug-and-Play Monitor Support
- Compatible with Virtually All PS/2 Keyboards and Mice
- Caps Lock, Number Lock, and Scroll Lock Settings Automatically Recalled for Each PC
- Hot-Pluggable—Swap out Your Keyboard, Mouse, or Computers at Any Time
- No Software Required
