

SPECIFICATIONS

Weight=Approx. 5.7kg

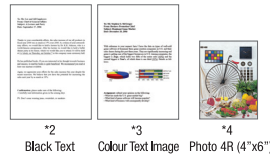

*1 When printed on EPSON Premium Glossy Photo Paper using RPM

** To use USB port, your PC must conform to PC98 specifications, and have Windows preinstalled. Consult the documentation provided with your PC for further information about USB connectivity. Note also that printing errors may occur if non-standard cables or more than 2 USB hub connections are used.

Scanning Speed Data Pattern
The thumbnail images below show the scanning patterns used to determine scanning speed specifications.

System Configuration of Scanning Speed
CPU: Pentium 4, 3.2GHz
RAM: 1GB
I/F: USB2.0 Hi-Speed
OS: Windows XP Home Edition
Soft: Adobe Photoshop 7.0E

* Please refer to your local EPSON website for more Page Yield information

Scanning speed test results vary according to system configuration, dpi setting, and scan mode setting. However, documents and photos other than those pictured above can be substituted without significantly affecting test results.

EPSON
EXCEED YOUR VISION

**EASY-TO-USE
CONVENIENCE WITH
PRINTS THAT LAST**

- Convenient one-touch copying centre
- Dazzling and long-lasting quality prints
- Economical prints with revolutionary DURABrite™ Ultra pigment ink

HANDY COPYING RIGHT AT HOME

EPSON STYLUS™ CX3900

Splendid printing, impressive copying and high-clarity scanning at the touch of a button.

Excellent Prints that Lasts Even on Plain Paper

Obtain professional prints every-time with EPSON's revolutionary DURABrite™ Ultra pigment inks on both photo and low-cost plain paper.

No worries about accidental water spills or ink smudging when using highlighter on your reports. Preserving photos and documents is easy when prints are smudge-proof, water-resistant and last up to 120 years*.

Water-Resistant

DURABrite™ Ultra

Smudge-proof

Ordinary Dye Ink

DURABrite™ Ultra

Competitor's

* Light-fastness up to 120 years accordance with Epson's test condition printed on EPSON Matte Paper-Heavyweight.

Save with Affordable INKdividual™ Printing

Save overall printing costs and cut ink wastage with affordable INKdividual™ cartridges.

INKdividual

Set your mind at ease when black ink runs out while printing that important last-minute report. Just sit back and let Black Ink Save Mode mix colour inks for a replacement black colour.

Stunning Photos for Your Enjoyment

Beautiful photos deserve to be printed in their full glory at up to 5760 dpi resolution and at a minimum 4pl ink droplet size with Variable Sized Droplet Technology.

Perfect for text printing, print high quality documents with crisp black text for home and office usage.

Perfect for text printing

More Time on Your Hands

Benefit from the improved productivity and efficiency that prints up to 23ppm. Do more things with your precious time.

Enjoy fast printing of photos to share with your friends.

One-Touch Copying Convenience

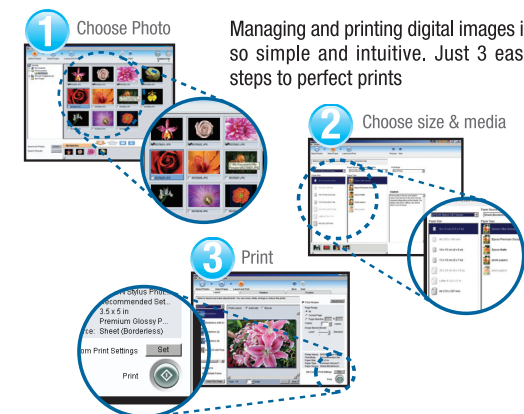

Colour or monochrome copying is so simple with one-touch buttons on the intuitive control panel. The Auto-fit function intelligently makes enlargements or reductions to fit the targeted paper size.

Start making copies immediately as this standalone copier requires zero warm-up time.

Easy to Scan and Share

Enjoy the ease of digitising your photos & documents for storage or sharing over emails with friends.

3 Easy Steps to Perfect Prints

Unleash Your Creativity

Have fun decorating family photographs with frames or print photo calendars with bundled PRINT Image Framer templates for every occasion.

PRINT Image Framer

Color Restoration

Effortless Web Printing

Upset with messy non-aligned print-outs from the Internet? No more frustrations with EPSON Web-to-Page that conveniently prints out what you see on the screen by condensing and aligning web pages to your needs.

Partners in Perfection

Epson specialty media is developed specially to complement Epson genuine inks to produce exceptionally high quality prints.

Epson inks are the highest quality inks you can put in an Epson printer. Years of research and development have gone into its formulation. The results are inks designed specifically to work with your printer to deliver stable, long-lasting, photographic quality.
